PROFESSIONAL SUMMARY

Recent B.Tech (CSE-IoT) graduate specializing in backend development with Core Java, Spring Boot, Spring MVC, and Spring Data JPA. Experienced in designing layered, secure architectures (Controller → Service → Repository) with Spring Security, JDBC, and MySQL. Comfortable working across the full request lifecycle from database schema design to server-side implementation. Quick learner with strong problem-solving skills, seeking a Backend Java Developer or Graduate Engineer Trainee role in enterprise software development.

TECHNICAL SKILLS

Backend: Spring Boot, Spring MVC, Spring Data JPA, Spring Security, Java Servlets, JDBC, Apache Tomcat, Thymeleaf

Languages: Core Java, SQL, JavaScript, C

Database: MySQL, Schema Design, CRUD Operations, Query Optimization basics

Architecture & Concepts: OOP, MVC Architecture, Layered (Controller-Service-Repository) Architecture, Authentication & Authorization

Tools: Git, Maven, Eclipse IDE, Spring Tool Suite (STS), VS Code, Postman

Frontend (supporting): HTML5, CSS3, Bootstrap 5

Soft Skills: Problem Solving, Team Collaboration, Communication, Time Management, Adaptability

PROJECTS

Student Management System — v2, Spring Boot Rebuild

2026

Java 17 • Spring Boot • Spring MVC • Spring Data JPA • Spring Security • MySQL • Thymeleaf

- Rebuilt the original Servlets/JSP application into a layered Spring architecture (Controller → Service → Repository → Database) using Spring MVC and Spring Data JPA.
- Implemented secure authentication and route-level authorization with Spring Security and BCrypt password hashing, protecting all CRUD endpoints.
- Built server-side search, sorting, and pagination using Spring Data's Pageable API, with Bean Validation and centralized error handling.
- Designed the MySQL data model and JPA entity relationships to support efficient querying and paginated access to student records.

EDUCATION

B.Tech — Computer Science Engineering (Blockchain & IoT)

June 2026

Gyan Ganga Institute of Technology and Sciences, Jabalpur, M.P. | CGPA: 7.36

Higher Secondary — Class 12th

2022

Maharashtra English Medium School, Jabalpur, M.P. | Percentage: 75.6%

High School — Class 10th

2020

Stemfield International School, Jabalpur, M.P. | Percentage: 75.2%

CERTIFICATIONS

- Hashgraph Developer Course — The Hashgraph Association (Aug 2025)
- Cybersecurity Essentials — Cisco Networking Academy (May 2024)
- Introduction to Packet Tracer — Cisco Networking Academy (May 2024)
- Programming Essentials in C++ — Cisco Networking Academy (Jul 2024)
